FINAL REPORT
Session: 2024–2025**

INTRODUCTION

K.L. Mehta Dayanand College for Women, Faridabad, is a premier institution for women's education in Haryana. It was established in honour of the visionary founder Shri K.L. Mehta, who worked tirelessly to fulfil the aspirations of young girl students and promote their academic empowerment.

The college is continuously progressing and playing a vital role in the all-round development of its students. This growth is the result of consistent inspiration and guidance from the management — initially led by Shri K.L. Mehta, later by Dr. Vimal Mehta, and currently under the leadership of Shri Anand Mehta. The dedicated efforts of the teaching and administrative staff further contribute significantly to the institution's excellence.

Two units of the National Service Scheme (NSS) have been functioning at the college since 1976–77. During the academic session 2024–25, both NSS units are actively working under the able guidance and support of our respected Principal, Dr. Manju Dua, along with the leadership of Dr. Neeru Verma and Ms. Vandana Kumari.

Both units are enthusiastically promoting social responsibility and activism. With over 200 volunteers from various streams — Arts, Commerce, and Science — the units have undertaken several impactful activities for community development and awareness.

The motto of NSS, “**Not Me, But You,**” truly embodies the spirit of service, selflessness, and national duty that guides all our initiatives. Dr. Manju Dua

INTRODUCTION

K.L. Mehta Dayanand College for Women, Faridabad, is a premier institution for women's education in Haryana. It was established in honour of the visionary founder Shri K.L. Mehta, who worked tirelessly to fulfil the aspirations of young girl students and promote their academic empowerment.

The college is continuously progressing and playing a vital role in the all-round development of its students. This growth is the result of consistent inspiration and guidance from the management — initially led by Shri K.L. Mehta, later by Dr. Vimal Mehta, and currently under the leadership of Shri Anand Mehta. The dedicated efforts of the teaching and administrative staff further contribute significantly to the institution's excellence.

Two units of the National Service Scheme (NSS) have been functioning at the college since 1976–77. During the academic session 2024–25, both NSS units are actively working under the able guidance and support of our respected Principal, Dr. Manju Dua, along with the leadership of Dr. Neeru Verma and Ms. Vandana Kumari.

Both units are enthusiastically promoting social responsibility and activism. With over 200 volunteers from various streams — Arts, Commerce, and Science — the units have undertaken several impactful activities for community development and awareness.

The motto of NSS, “Not Me, But You,” truly embodies the spirit of service, selflessness, and national duty that guides all our initiatives. Dr. Manju Dua

The objective of the drive was to raise awareness about environmental conservation and to instil a sense of ecological responsibility among students, faculty, and the local community.

Under the guidance of Program Officers Dr. Neeru Verma and Ms. Vandana Kumari, NSS volunteers actively participated in the plantation activities. Various saplings, including medicinal and native trees like Neem, Peepal, and Tulsi, were planted within the college campus and nearby areas.

The event was marked by enthusiastic participation, teamwork, and a shared vision for a greener future. Faculty members encouraged students to regularly monitor the growth of the plants and to contribute actively towards maintaining a clean and green environment.

This initiative not only enhanced the aesthetic appeal of the surroundings but also served as a meaningful step towards ecological restoration and sustainability.
