Principles of Arya Samaj

1. God is the primary source of all true knowledge and of all that can be known through it.

2. God is Existent, Intelligent and Blissful. He is Formless, Almighty, Just Merciful, Unborn, Infinite, Unchangeable, Beginningless, incomparable, Immortal, Fearless, Eternal, Holy and Maker of the Universe. To him alone worship is due.

3. The Vedas are the scriptures of all true knowledge. It is the duty of all Aryas to read them, hear them being read and recite them to others.

4. We should always be ready to accept truth and give up untruth.

5. All actions should be performed in conformity with Dharma, that is, after due consideration of right and wrong.

6. The primary aim of the Arya Samaj is to do good for all, that is, to promote their physical, spiritual and social well being.

7. We should treat all people with love, fairness and due regard for their merit.

8. We should aim at dispelling Avidya (ignorance) and promoting Vidya (knowledge).

9. One should not only be content with one's own welfare,but should look for it in the welfare of others also.   .

10. One should regard oneself under restrictions to follow altruistic rulings of the society, while all should be free in following the rules of individual welfare.

From the desk of the President

Message

K.L Mehta Dayanand Post Graduate Women's College is dedicated to the noble cause of Women's education and empowerment. The slogan of "Beti Bachao & Beti Padhao" was implemented 49 years back by the late founder President Sh. K.L. Mehta then carried forward by Late Dr. Vimal Mehta. The premier Institute is celebrating its Golden Jubilee this year.

My best wishes to everyone associated with this noble cause. We are very thankful to the administration and Public of Faridabad for their support and guidance to carry out this mission.

Our commitment to further improve and achieve high standards remains firm and unwavering.

With best regards

Sh. Anand Mehta

President (MDES)

Message From Director - Self Finance...

Message

It gives me an immense pleasure to welcome all the new students seeking admission in this esteemed Institute- founded by Late Sh. K.L. Mehta and then nurtured by Late Dr. Vimal Mehta, who was the President for almost a quarter of a Century. Both had a vision and motivation to empower women by educating them – following the teachings of Saraswati Swami Dayanand & Vivekanand Ji The family stands Committed to the cause of women's education and empowerment as well. Together with a dedicated staff of this College, we aim to achieve higher goals.

With best regards
Mrs. Shubh Mehta
(Director-Self Finance)

From the Desk of the Principal ....

Dear Students,

It gives me immense pleasure to welcome all the undergraduate and postgraduate students to the Academic Session 2020-2021.

KL Mehta Dayanand College for Women, Faridabad is an institution of academic excellence. It is acclaimed as one of the premier women colleges of MD University, Rohtak and is celebrating its Golden Jubilee Year. The college is named after its founder - Shri KL Mehta ji - a dedicated social activist, staunch Arya Samajist and a man par excellence. After his demise, his learned wife, Dr. (Mrs) Vimal Mehta took up the cudgels to take the college to stupendous heights.

The inception of a girl's institution of higher learning as a purely Arts college with 250 students in 1970 has now blossomed into a multi faculty post graduate college with about 4000 students on rolls. To be in tune with present times the college has introduced many job-oriented skill development courses under aegis of UGC and NSDC. Due to multifarious attainments in academics, sports, co-curricular activities and infrastructural upgradation, the college has become the pride of Faridabad. This embodies the Hon. Prime Ministers vision of Beti Bachao, Beti Padhao.

We believe in imparting education by which character is formed, strength of mind is increased, the intellect is expanded and by which one can stand on one's own feet.

Dear students, the field of education is enormously vast. You may have to choose different fields according to your aptitude, capacity and the other prerequisites. However, the basic trait of education is shaping of the character and integration of the personality. Remember character comprises of righteousness, truthfulness, steadfastness, politeness, nobility, honesty, humility and many such ideal qualities.

I feel honoured to say that you will be entering an institution that has a rich legacy of cultural heritage and is proud of being a foundation of cannons of morality and norms of mannerisms and etiquette.

You are enthusiasm personified. The fresh blood coursing through your adolescent veins fills you with boundless energy. This energy needs to be properly channelised. In this process we will make a humble attempt in producing good human beings and good citizens. We will ensure the students joining this great institution will prove true specimens of humanity.

We will cherish our duty to fulfil Swami Dayanand's dream of leading "the youth from darkness to light".

Dear students, the future belongs to you and we have to prepare you for tomorrow. Franklin D Roosevelt rightly said 'We cannot always build the future for our youth, but we can build our youth for the future'.

The credit for all around development of the institution goes to the tireless efforts of teaching and administrative staff under the perpetual inspiration of our management headed by its Chairperson Shri Anand Mehta – the dynamic son of our revered founder.

As I hold the responsibility of the college as an officiating Principal, I appeal to all the parents to cooperate and support in leading the college to reach the pinnacle of glory and success.

Wishing you all the best in all your endeavours.

Dr. Vandana Mohla

CODE OF CONDUCT DURING COVID-19

Covid-19 is an infections disease caused by Coronavirus Covid-19 cases have been found in several countries so it has been declared as Pendemic. The virus that causes Covid-19 is mainly transmitted through droplets generated when an infected person coughs, sneezes or exhales. These droplets are too heavy to hang in the air, and quickly fall on floors or surfaces. You can be infected by breathing in the virus if you are within close proximity of someone who has Covid-19 or by touching a contaminated surface and then your eyes, nose or mouth. As till the date, no vaccine is available for this disease so we have only one option that is ...... defence mechanism and the best defence against any outbreak is a strong health system, besides we should follow the guidelines issued by WHO and MHRD to protect overselves from this dreadly disease and try to stay home and avoid social gatherings.

Pandemic

• Wearing mask that covers nose and mouth is compulsory.

• Carrying hand sanitizer is mandatory for all.

• Maintaing six feet social distance is compulsory.

• Students should bring their own water bottles and not to share it with each other.

INFRASTRUCTURE

The College has a state-of-the-art infrastructure. The iconic academic building has been designed for channelising positive energies throughout, defining importance of open space. The infrastructure also includes a state of the art auditorium, with a capacity of 700 students. Apart from this, the infrastructure includes aesthetically designed class rooms to provide a stimulating atmosphere conducive to all-round development of the students. The college has 8 fully air-conditioned, Information technology labs with internet connectivity. We have well stocked medical room. We have also been in touch with local hospital for having medical check-up and consultation fOEphysical fitness of our student and faculty. The institution has a sports centre with a host of indoor and outdoor games such as Table Tennis, Chess, Carrom, Archery etc. Our institution has sprawling sports infrastructure. Many University, Inter and intra college tournaments are organized in our Basket Ball court. Our playground is also a pride for entire district, as many competitions of external institution and agencies are organized here. For health conscious students and staff our yoga teacher and gym instructor are always on the job. The institution has a modern canteen which offers hygienic, wholesome and nutritious food at subsidized rates . Variety of snacks and meals are served in neat and clean surroundings. The library plays a pivotal role in the learning activities of the students. With this consideration our library acts as an important learning resource centre. It has infilbnet factility. We have a digital library with a comprehensive collection of latest books, E-books, journals, E-journals and magazines. The college also has book bank facility to cater to the needs of poor students. The institution has a well maintained & spacious Yagyashala to inculcate the traditional Indian values among the students. Our new session commences with Yagya moreover Yagya is performed on all important occasions. To provide practical knowledge, the college has 13 specialised labs viz Physics, Chemistry, Bio-Technology, Botany, Zoology, Food and Nutrition, Home-Management, Clothing and Textile, Music and English language lab. The institution also boasts of a modern well equipped Seminar Hall with a capacity of200 students. It is used regularly to hold seminars and training sessions for the students. Wehave two spacious common rooms for the students to relax and play indoor games in their free time. The infrastructure keeps on augumenting as per the increasing strength of students.

BEYOND THE CURRICULUM

1. **Sports**
   Besides academics, it is also important to develop team spirit and sportsmanship among students, through participation in various sports events. Keeping this in mind, we encourage our students to participate in both outdoor and indoor games at University, district, state and national level. Our students have won laurels in games like yoga, basket ball, soft ball, cricket, baseball, taekwondo, carrom, Archery, Athletics, Kabaddai etc.

2. **Cultural**
   The aim of education is to convert the mind into a living fountain and not a reservoir. Hence our college ensures that besides effective and proper imparting of subject knowledge students should evince keen interest in co-curricular activities. In the Zonal Youth Festival our college won several prizes.

3. **Literary Societies**
   The college has a network of subject societies which provide a forum to the students to unfold their latent talent and serve asa platform for developing creative temper English, Hindi & Sanskrit, Literary Society organize various programmes to refurbish the knowledge of students.
