For PG classes internal assessment includes class tests, assignments, presentations and attendance. For both UG & PG classes 80% weightage is given to university examinations and 20% to internal assessment. This is the criteria for awarding internal assessment for both UG as well as PG classes.

Upto 75%	3 marks
Upto 80%	4 marks

The schedule of the class test is finalized by the Head of Department with the concerned faculty and same is the case with assignments and presentations.

Further we have a very good practice of conducting mock test semester wise which is on the pattern of semester end examination. This helps to prepare students for their final examination and also ensure their better performance and also give them high level of motivation.
