

SESSION 2023-24

Sr. No	Title of paper/ Title of Chapter published in Journal/Book	Name of the author/s	Department of the Faculty	Name of Journal	Month and Year of Publication	ISSN number
1.	Crisper/cas9; An evolutionary approach towards crop amelioration	Dr. Jyoti Kapil	Biotechnology	International Journal of life science	August 2023	2319-1198
2.	Serine Proteases and Respiratory disorders	Dr. Priti	Biotechnology	Serine Proteases- Role in Human Health and Disease (De Gruyter)	October 2023	978-3-11-132498-2
3.	Potential targeted therapy for SARS-CoV-2: Host seriene proteases	Dr. Priti	Biotechnology	Serine Proteases- Role in Human Health and Disease (De Gruyter)	October 2023	978-3-11-132498-2
4.	Seriene proteases inhibitors and its therapeutics	Dr. Priti	Biotechnology	Serine Proteases- Role in Human Health and Disease (De Gruyter)	October 2023	978-3-11-132498-2
5.	A study on India's Startup Surge: How to motivate youth towards Entrepreneurship by examining growth drivers in a vibrant economy	Dr. Rekha Goel Ms. Suman Lata Yadav	Commerce & Management	Journal for Re Attach Therapy and Developmental Diversities	October 2023	2589-7799
6.	Green Chemistry: Hope-Not Hype, Promise-Not Peril	Dr. Purnima Verma; Dr. Annu Kalra; Dr. Meenu Dua	Chemistry	Journals Of Chemical Health Risk	November 2023	2251-6727
7.	Advances Of Nanomaterials for Environmental Pollutants	Dr. Purnima Verma	Chemistry	Journals Of Emerging Technologies	December 2023	2349-5162

				and innovative Research		
8.	A Clinical Laboratory Assessment of Sigma Metrics of Frequently Assayed Biochemical Parameters.	Ms. Ranjana Ms. Sonia Bisht	Biotechnology Chemistry	Journal of Harbin Engineering university.	March 2024	1006-7043
9.	Assessment of Clinico-Pathological Characteristics of Renal Biopsy: Tertiary Care Centre Based Study.	Ms. Ranjana Ms. Sonia Bisht	Biotechnology Chemistry	Journal of Harbin Engineering university.	March 2024	1006-7043
